BRING YOUR OWN DEVICE (BYOD) - STUDENT AGREEMENT

Students who wish to take advantage of the BYOD policy must read and sign this agreement in the company of an adult unless otherwise excused by the principal. This signed page is to be returned to the school. By signing at the bottom of this page students agree to the following behaviours:

I agree that my use of the Department of Education and Communities (DEC) internet will be primarily for learning.

✓ I agree to only ever use my own portal/internet log-in details and never share those with others.

✓ I agree to not hack or bypass any hardware and software security implemented by the DEC or my school.

✓ I agree to not use my device to knowingly search for, link to, access or send anything that is;
  ➢ offensive
  ➢ pornographic
  ➢ threatening
  ➢ abusive
  ➢ defamatory

✓ I agree to report inappropriate behaviour and material to my teacher or a Head Teacher.

✓ I agree to stay safe by not giving out my personal information to strangers.

✓ I understand that my activity on the internet is recorded by DEC and these records could be used in investigations, court proceedings or for other legal reasons.

✓ I acknowledge that the school cannot be held responsible for any damage to or theft of my device.

✓ I agree that use of my device during school activities is at the direction of the teacher.

✓ I agree TO NOT BRING 3G/4G devices to school such as phones or tablets which have direct access to the internet bypassing DEC filters (not using the school wireless network)

✓ I understand the device must have dual band wireless capabilities (5 GHz) to connect to the school WiFi.

✓ I have read and agree to follow the Marrickville High School BYOD Policy and Guidelines.  

✓ I understand that the school does not own the device, support the device or warranty the device. NSW DEC staff are under no obligation to provide any technical support to either hardware or software.

NOTE: Where the school has reasonable grounds to suspect that a device contains data which breaches the BYOD Student Agreement, the device may be confiscated for the purpose of confirming the existence of the material. Depending on the nature of the material involved, further action may be taken including referral to the police. School disciplinary action may also be appropriate.
